### NOTES FROM THE PRESIDENT'S GHOST WRITER -

Good Morning Friends!

#### **GREAT MEETING LAST**

**THURSDAY NIGHT.** As usual, Cy did a great job in leading us through part of our planning, and with Committee Day today we hope to focus on completing our strategic plan. We did identify several worthwhile recipients of our community service dollars and we did make some decisions concerning our workload for the current year on projects that earn those community service dollars. Golf continues to be worthwhile. We will have our list in hand shortly and can make our plans accordingly. Thanks to all who participated.

Happy Thursday.

#### JOKE(S) OF THE DAY

A man and his wife, now in their 60's, were celebrating their 40th wedding anniversary. On their special day a good fairy came to them and said that because they had been such a devoted couple she would grant each of them a very special wish. The wife wished for a trip around the world with her husband. Whoosh! Immediately she had airline/cruise tickets in her hands. The man wished for a female companion 30 years younger than he..... Whoosh! Immediately he turned ninety!!!  
Gotta love that fairy.

-----  
There was a man who had worked all of his life and had saved all of his money. He was a real miser when it came to his money. He loved money more than just about anything, and just before he died, he said to his wife, "When I die, I want you to take all my money and place it in the casket with me. I wanna take my money to the afterlife." His wife promised him with all her heart that when he died, she would put all the money in the casket with him. Sadly, one day he died. He was stretched out in the casket, his wife was sitting in black next to her closest friend. When the ceremony was finished, just before the undertakers got ready to close the casket, the

wife said "Wait just a minute!" She went over to the casket with a shoe box and placed it in the casket. Then the undertakers locked the casket down and rolled it away. Her friend said, "I hope you weren't crazy enough to put all that money in the casket." She said, "Yes, I promised and I can't lie. I promised him that I was going to put that money in that casket with him." "You mean to tell me you put every cent of his money in the casket with him?" "I sure did," said the wife. "I got it all together, put it into my account and I wrote him a check."

-----  
Dear Tide,

I am writing to say what an excellent product you have! In fact, about a month ago while at home, I spilled some red wine on my new white blouse. My husband started to berate me about my drinking problem and how expensive the blouse was. One thing lead to another and I ended up with a lot of blood on my white blouse, as well. I tried to get the stain out using the bargain detergent my cheap husband bought, but it just wouldn't come out. I went to the local convenience store and got a bottle of liquid Tide with bleach alternative, and all of the stains came out! They came out so well, in fact, that the DNA tests were negative! Thank you, once again, for a great product! Well, gotta go, I have to write a letter to the Hefy bag people too.

Sincerely,

*Recently Widowed*

#### **THE MOODS OF A WOMAN**

An angel of truth and a dream of fiction,  
A woman is a bundle of contradiction,  
She's afraid of a wasp, will scream at a mouse,  
But will tackle a stranger alone in the house.  
Sour as vinegar, sweet as a rose,  
She'll kiss you one minute, then turn up her nose,  
She'll win you in rage, enchant you in silk,  
She'll be stronger than brandy, milder than milk,  
At times she'll be vengeful, merry and sad,  
She'll hate you like poison, and love you like mad.
